GETTING HERE

The Tulsa Zoo is located inside Mohawk Park at 6421 East 36th Street North.

INSIDER'S TIP:

Sheridan Road tends to become congested during Spring Break.

Use Harvard Avenue or Yale Avenue to get to 36th Street North, and bypass the worst of the traffic.

From Tulsa, you can drive North on any street between (and including) Peoria Avenue to Sheridan Road, until you reach 36th Street North. Then head east until you see the entrance to Mohawk Park, which is just east of Sheridan.

If you use a GPS to guide you, it may take you to our service entrance. When you reach 36th Street north, use the road signs to guide you OR enter GPS address: 4099 Chickasaw Drive, Tulsa, OK 74115.

We also have an alternate entrance located west of Yale Avenue off Winston Avenue. Winston bypasses most traffic and takes you past Mohawk Golf Course and straight into our parking lot.

If you are unfamiliar with our location, follow the highway signs to the Tulsa International Airport. We are located just north, less than a mile away.

STARTING YOUR VISIT

INSIDER'S TIP:

Feel free to drop off your group in our circle drive (in front of the zoo entrance) before parking.

Growing stomach? Grab a bite at George Kaiser Family Foundation Rajan's or Ann and Jack Graves Komodo Canteen inside the Lost Kingdom. Try the all-new gourmet grilled cheese sandwiches or hand-battered chicken tenders, loaded tots or funnel cake fries — this year's menu has something for everyone.

Macaw Landing Grille or The Grille, as zoo regulars call it, is a full-service restaurant that offers everything from hot pizza to hamburgers made to order.

NEW AT THE ZOO

HELMERICH PLAYGROUND: BEHAVING LIKE ANIMALS

Go ahead, act like animals! Children (and those who are young-at-heart) can mimic the behaviors and movements of zoo animals at the all-new Helmerich Playground: Behaving Like Animals.

Unique to the Tulsa Zoo, the new guest amenity uses play to create empathy between children and wildlife through shared experiences.

So climb like a monkey, hang like a sloth, jump like a kangaroo, this Spring Break at the Tulsa Zoo!

SOCIAL-EMOTIONAL LEARNING

Complete with ten sections for a variety of age groups and abilities, each area was designed with accessibility and inclusion in mind.

THANK YOU

This exhibit was made possible by the Helmerich Trust, Hardesty Family Foundation and City of Tulsa Taxpayers through Improve Our Tulsa Initiative.

The new \$3 million playground is the first completed project of Building Beyond Phase 2. For more information on our future projects, visit buildingbeyond.org.
