

Asian Giant Hornet

Audience

Designed for all ages.

Materials Needed

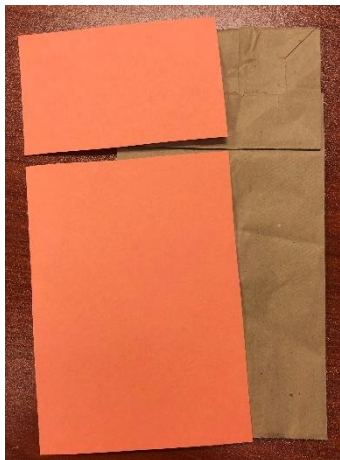

- Construction Paper (Orange, Black & White)
- Paper Lunch Bag
- Scissors
- Glue

Length of Activity

15-20 minutes

Procedure

1. Lay your paper bag on your work surface with the bottom of the bag at the top and the bottom flap upwards.
2. Cut out rectangle of orange paper to cover the top of the paper bag. Glue into place.

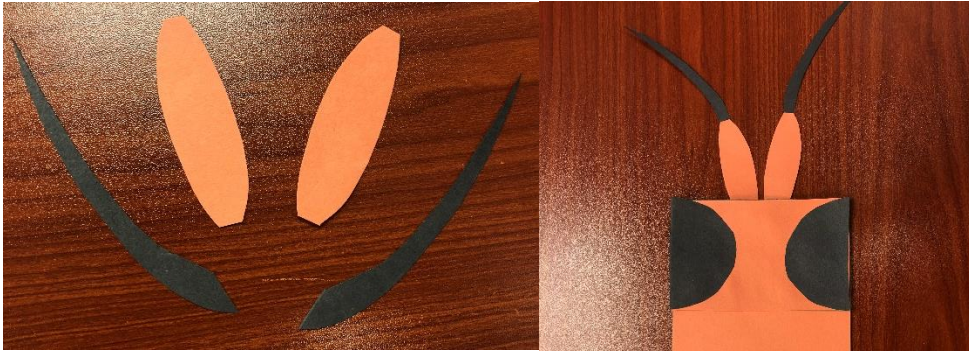

3. Fold a piece of black paper in half. Cut a large half circle while keeping the paper folded. These will be the eyes. Glue into place.

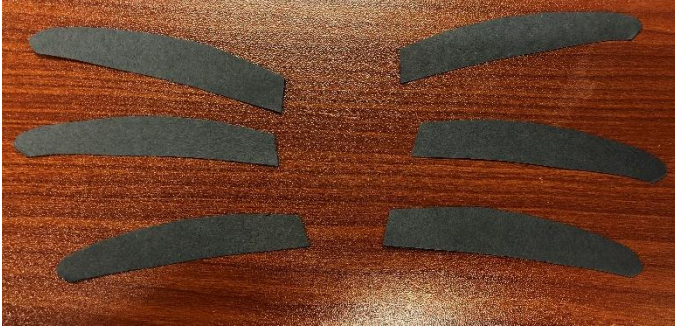

4. Cut two orange ovals and two black long skinny pieces. Glue the black skinny pieces to the orange ovals. These are the antennae. Glue into place.

5. Fold a piece of black paper in half to create two mouth parts. Glue these under the flap of the bottom of the bag to create the puppet mouth.

- Cut 6 legs out of black paper and glue into place.

- Cut two wings out of white paper and glue into place.

- Cut and glue black stripes to the body.
- Cut a triangle out of black paper. This will be the stinger. Glue into place.
- Let dry and FINISHED!
