

# Grass Head Planter

## Audience

Designed for All Ages!

## Materials Needed

- Plastic Soda/Water Bottle
- Googly Eyes
- Grass Seed
- Planting Soil
- Scissors
- Glue
- Hot Glue Gun with Glue
- Variety of Craft Supplies
  - Construction Paper
  - Buttons
  - Yarn
  - Pipe Cleaners
  - Fabric Scraps

## Length of Activity

20 minutes

## Procedure

1. With adult help, cut the bottom 4" off a soda bottle. Recycle the top portion.
2. Create a face on your bottle with any craft supplies you choose. If using a hot glue gun to attach your items, ask an adult for assistance!
3. Fill your head with potting soil.
4. Sprinkle grass seed on top and cover with a thin layer of soil.
5. Water your grass head till quite damp.
6. Set your grass head near a window.
7. Check your grass head daily and watch it grow! Make sure the soil remains moist; add water if needed.
